

SUPER DELUXE G II

WSD-G II

Safety, Reliability
High Efficiency.
Almighty Slicer.

WSD-G II

Watanabe's patented solid crossing device allow the meat to be sliced in any possible shape. This compact, multi-purpose slicer is highly accurate and is very easy to maintain.

The all gear transmission combines smooth, trouble-free operation with outstanding durability. The all alumite finish is sanitary and maintains its bright silvery appearance. A single dial provides thickness adjustments from 0 to 20mm, ensuring waste.

Product name	WSD-G II
Dimensions	W750 × D650 × H750mm
Slicing thickness	0~20mm
Maximum slicing size	W255 × H150 × L450mm
Slicing capacity	40 pieces/min (50Hz) 48 pieces/min (60Hz)
Motor capacity	3P 200V 750W
Net weight	65kg
